Epic Systems Corporation names Vitalize Consulting Solutions, Inc. as a Certified Consultant

Kennett Square, PA– August 7, 2008–. The healthcare software giant Epic has added Vitalize Consulting Solutions, Inc. (VCS) to their list of certified consultants. The 25 consultants on the certified consultant list represent some of the most respected and profitable names in healthcare consulting. This partnership is granted to firms who have invested significant effort in gaining knowledge in Epic systems and signals that VCS is a high quality vendor with a positive relationship to Epic and their customers.

With this credit, VCS hopes to increase their Epic customer base and continue to cater to the growing needs of the healthcare IT consulting community. VCS Epic Practice Director, Ann Mendlowitz says, “After many years of working with Epic customers and striving to understand their position, it is a great honor to be added to this list. I am very excited to work closely with Epic and their customers to help resolve the big issues facing healthcare IT today.”

About Epic Systems Corporation

Epic Systems Corporation is a privately held healthcare IT company founded in 1979 by Judy Faulkner. Epic creates award-winning software that helps healthcare organizations provide better care. Their software supports all the functions that orbit around the patient: Registration and scheduling systems for clerks; clinical systems for doctors, nurses, emergency personnel, and other care providers; ancillary systems like lab, pharmacy, and radiology; billing systems for care providers as well as insurers. All the systems work in unison to dissolve the informational boundaries that create inefficient, dangerous healthcare software.

About Vitalize

Vitalize Consulting Solutions, Inc., Kennett Square, PA, and Reading, MA, provides a wide variety of clinical, business and IT solutions for healthcare enterprises across the country. Their comprehensive range of programs and services includes system implementation, integration, optimization, project management, custom reporting, education and knowledge transfer expertise. VCS consultants and principals listen, advise and strengthen their customers in the pursuit of their strategic IT initiatives. Primarily focusing on the Cerner, Epic, Eclipsys, Siemens, McKesson and MEDITECH users, they successfully establish long term relationships by providing experienced professionals who consistently exceed their customers’ expectations.
