

FOR IMMEDIATE RELEASE

LEIDOS HEALTH TO DEMONSTRATE EXPANDED CAPABILITIES IN DATA SECURITY, INTEROPERABILITY AT HIMSS14

RESTON, Va. (February 20, 2014) – Health IT experts from Leidos [NYSE: LDOS] will present at three educational sessions and provide in-booth demonstrations (booth #3753) at HIMSS14, held February 23-27 at the Orange County Convention Center in Orlando, Fla.

Leidos Health (formerly named SAIC, including the strategic acquisitions of maxIT Healthcare and Vitalize Consulting Solutions) has a combined 40+ years of healthcare experience. This year, Leidos Health will showcase its health solutions, along with its new name and perspective, and will host a variety of events at its booth, including:

- **In-Booth Demonstrations:** Experts will be on hand to discuss Leidos Health implementation consulting, go live support, help desk support, enterprise project management, and legacy support services for nearly every electronic health record product, as well as professional services in key areas such as Meaningful Use, ICD-10, and revenue cycle. Leidos Health federal leaders will also be available to share health IT success stories while working with the Defense Health Agency, and the Departments of Veterans Affairs and Health and Human Services.
- **Organizational 'Health Check':** Commercial health attendees who stop by the Leidos Health booth could be eligible to receive a free Health Check, which can help healthcare organizations understand their readiness for ICD-10, the likelihood of a Meaningful Use audit, strategic alignment with corporate goals, revenue cycle risk areas post-EHR implementation, or provide assistance with technology or

integration issues.

- **Tour de Cure:** Leidos Health will leverage its commitment to the American Diabetes Association (ADA) and its Tour de Cure cycling event at HIMSS14. In addition to assembling cycling teams across the country for participation and fundraising, Leidos Health will make a donation to the Tour de Cure for every person who stops by the Leidos Health booth and answers the “Health Question of the Day.”

The following Leidos Health experts will speak at the event:

- **Brenda Mollohan, JD, FHIMSS, Solutions Center Director, Leidos Health** will present [*Closing the Project*](#) on Sunday, February 23, from 3 to 3:30 p.m. in Room 204A.
- **Brenda Mollohan** will also present [*Surviving Project Management*](#) on Sunday, February 23, from 4 to 4:45 p.m. in Room 204A.
- **Lisa Anne Bove, DNP, RN, Senior Manager, Leidos Health** will co-present with Jeffrey Mitchell of MainLine Health on [*Converting Your Legal Medical Record – It’s Both Technology and Process*](#) on Monday, February 24, from 10 to 11 a.m. in Room 304E.
