### **VCS RANKS THIRD IN “2011 BEST IN KLAS AWARDS: SOFTWARE AND SERVICES” REPORT**

(McLEAN, Va.) Mar. 07, 2012 – Vitalize Consulting Solutions (VCS), a wholly-owned subsidiary of Science Applications International Corporation (SAIC) [NYSE: SAI] announced today that it has ranked third in the “2011 Best in KLAS Awards: Software and Services” Report (©2011 KLAS Enterprises, LLC). KLAS publishes the report to help improve service delivery, by independently measuring vendor performance for the benefit of healthcare provider partners, consultants, investors, and vendors. For more information about KLAS, visit [KLASresearch.com](http://KLASresearch.com).

VCS moved up from last year’s ranking of fourth, improving its scores in three service areas, achieving an overall score of 87.9. To qualify for the top 20, companies must offer customers a minimum of three separate services that meet the minimum KLAS Konfidence level in three separate market segments, according to the report. VCS meets this benchmark by offering services in areas including clinical implementation support services, planning and assessment, and technical services.

“We are excited that our clients have rated us highly on the KLAS report once again. With the recent acquisition of VCS by SAIC, we have positioned ourselves to expand our service lines and further amplify the unparalleled customer service our clients have come to know and expect,” said Vitalize CEO Dan Allison. “Through our combined experience and expertise, we will leverage our respective knowledge help enhance healthcare for our clients and their constituents. Our mission is to continue building and maintaining exceptional relationships with valued clients through the delivery of high-quality solutions and services.”
